Celestial Collection

BY STEPHANIE BRADSHAW

Inspired by the stars, the Celestial Collection by STEPHANIE BRADSHAW is an artfully curated line of fabrics drawn together by the hues of the universe. A former 'Special Events Magazine '30 under 40' — Rising Young Event Professionals Worth Watching' and HGTV 'Design Star' semi-finalist, Stephanie's vision was to effortlessly bring trade-quality textiles to intimate event experiences large and small. Minimalistic in style and luxurious in appearance, each linen in this collection brings a unique touch of glamour to any special event.
